Mobile thermal transfer printer for marking materials in cartridge format. The printer can print materials in continuous format up to a material width of 24 mm.

Product description

The THERMOMARK GO.K handheld printer is ideal for fast identification on site. The thermal transfer printer is robust, easy to use, and offers versatile functions. It processes continuous media for terminal marking, cable and wire marking, equipment marking, and plant marking.

Scope of supply:

THERMOMARK GO.K, brief instructions

Your advantages

- Maintenance-free operation with proven thermal transfer printer technology
- 8 different bar codes and over 300 symbols can be integrated; up to 20 projects can be created and stored directly on the device
- Printing of self-adhesive, non-sticky labels and shrink sleeves
- The THERMOMARK GO.K prints materials in cartridge format, which contain the material to be marked and the appropriate ink ribbon
- Intuitive user guidance thanks to a well-structured menu and direct input keys
- Alternative control via the PROJECT complete software
